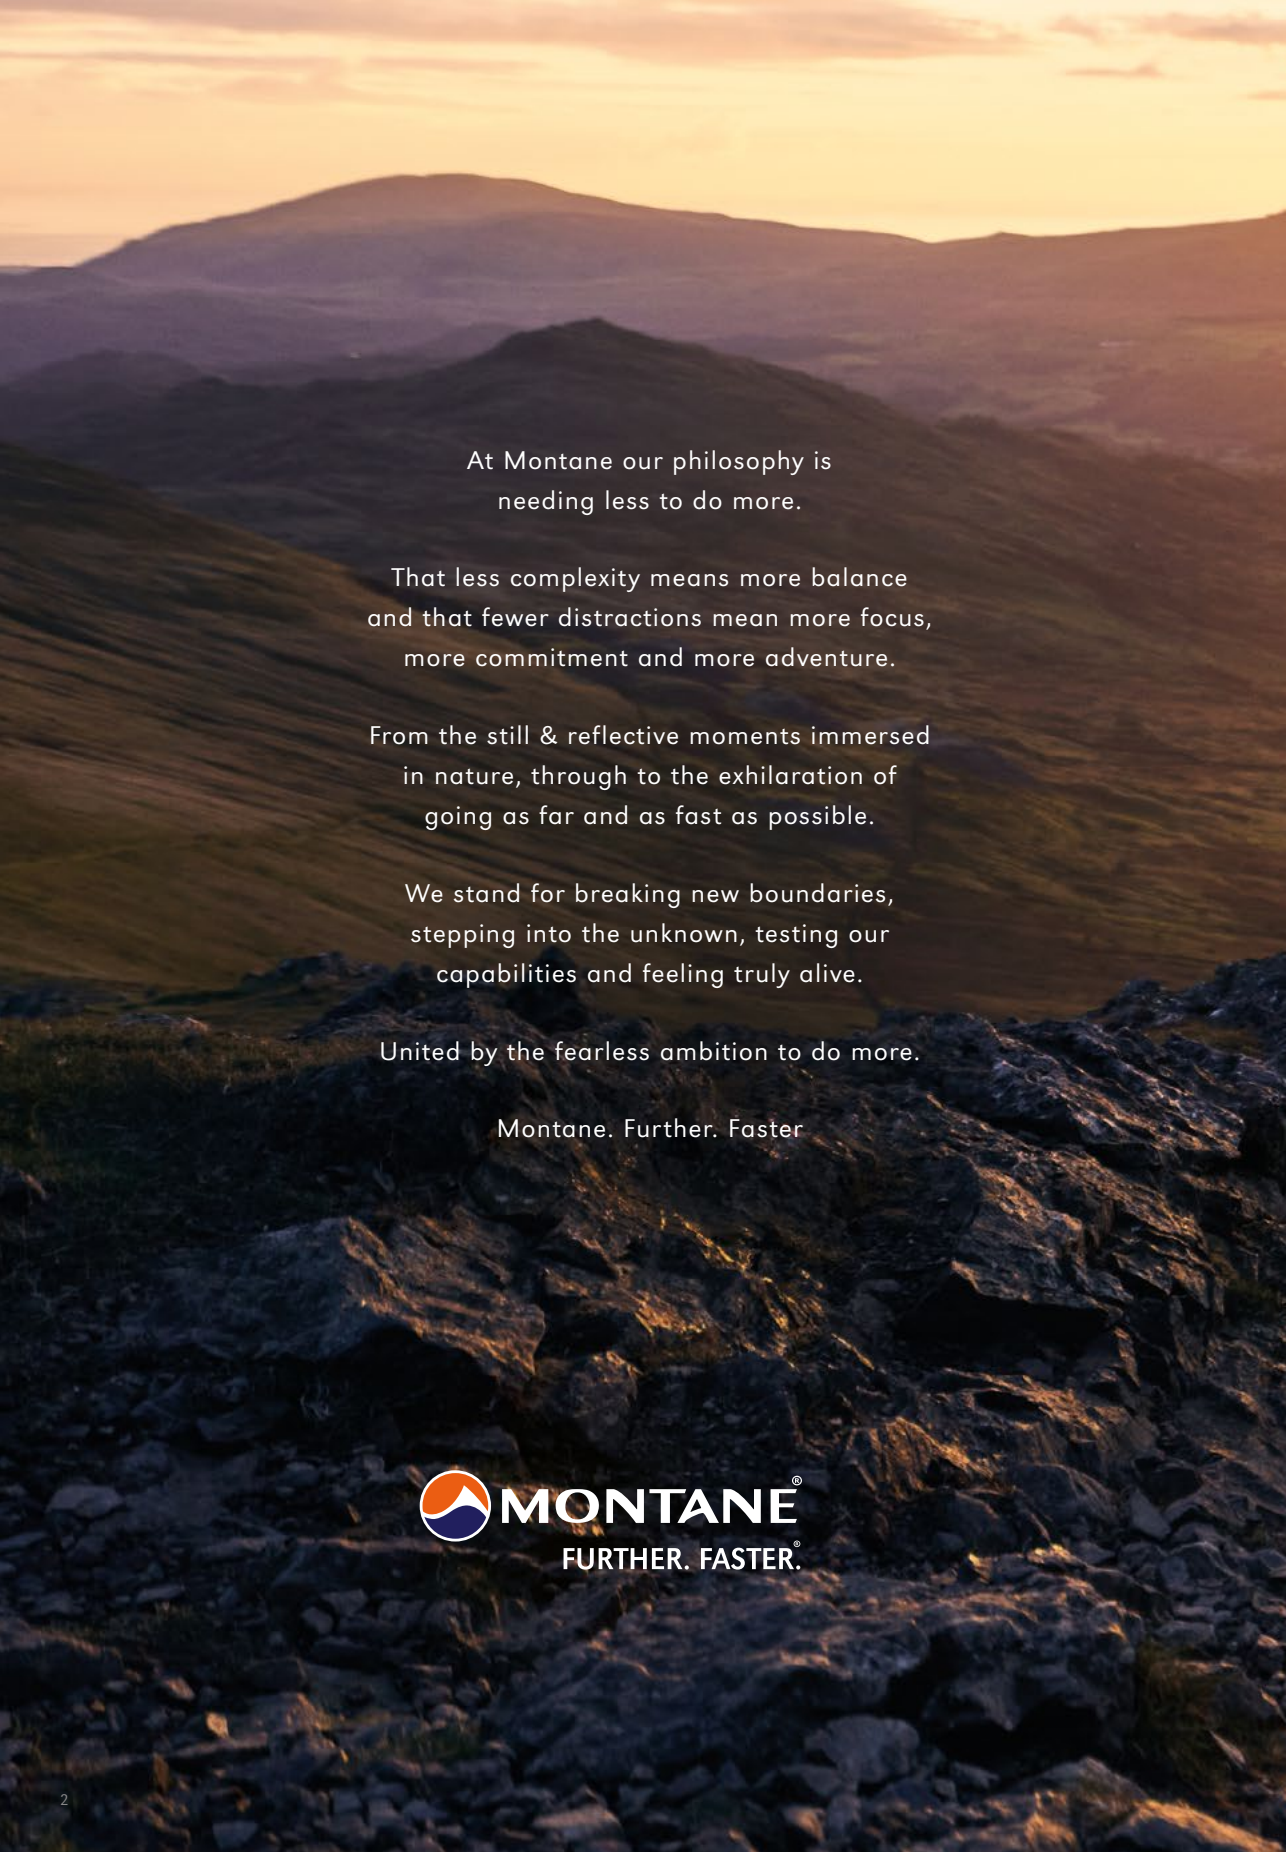
MONTANE®
AUTUMN WINTER 2021



At Montane our philosophy is
needing less to do more.

That less complexity means more balance
and that fewer distractions mean more focus,
more commitment and more adventure.

From the still & reflective moments immersed
in nature, through to the exhilaration of
going as far and as fast as possible.

We stand for breaking new boundaries,
stepping into the unknown, testing our
capabilities and feeling truly alive.

United by the fearless ambition to do more.

Montane. Further. Faster

DART

YOUR FIRST LINE OF DEFENCE

Whether you're forging on into freezing conditions or working hard in the heat, our Dart collection offers unrivalled levels of temperature and moisture control to keep you performing at your best. Developed using lightweight, super-wicking APEX ECO fabrics and treated with POLYGIENE® for multi-day odour resistance, Dart base layers are more than just t-shirts. They are your first line of defence against the elements, so you can push Further. Faster.

A modern classic, the Super Terra Pants are our most rugged technical mountain pants, designed for mountaineering, scrambling and everything in-between. Using tried and tested GRANITE and CORDURA® Hydro fabrics, they have been updated with some design improvements and styling upgrades. The Super Terra Pants are now lighter weight whilst still retaining their robustness and comprehensive feature set.

MATERIALS

- GRANITE nylon with slight stretch and DWR
- Super tough and waterproof CORDURA® Hydro reinforcements on the knee, seat and insteps

Black

Designed for fast-paced activities in cold conditions where temperature regulation and protection are key. The lightweight THERMO LITE stretch fleece glove has an excellent warmth to weight ratio, wicks moisture away from your hands and dries quickly. When increased protection is required the PERTEX® mitt can be pulled out to provide a windproof barrier.

MATERIALS

- THERMO LITE brushed back fleece with stretch
- POLYGIENE® permanent odour control treatment
- 30 Denier PERTEX® QUANTUM ECO 100% recycled outer with DWR
